Wheels for All, through a partnership with Barnsley Public Health, is recruiting for a sessional member of staff to lead the weekly Wheels for All session starting up at the Dorothy Hyman Sports Centre in Barnsley. You will be working with disabled adults and children, and you will be able to deal with minor mechanical problems as they arise. The ability to keep accurate records of our rides is also important. But most of all we are looking for someone who can help promote Wheels for All to new people and motivate them to keep coming back for more!

The Barnsley Wheels for All centre will operate on Tuesdays at the Dorothy Hyman centre. You will be supported by a team of local volunteers, as well as colleagues at our Head Office.
