

Lancashire Wheels for All Co-ordinator

covering the Lancashire region & focussing on the Wheels for All hubs in Preston & Hyndburn

Co-ordinating current provision and creating new opportunities for people of all abilities to cycle across the current Wheels for All locations in Lancashire.

From May 22 to April 23

14 hours per week – salary: £7360 (£18,400 FTE)

Introduction

This role will co-ordinate current provision at Wheels for All centres across Lancashire and bring cycling to new people, giving individuals and organisations, understanding and reassurance that they can cycle on their terms.

The role of the Wheels for All centre

Wheels for All plays a vital part in giving people of all abilities the chance to be active on their terms. Wheels for All centres develop as safe and enjoyable settings in the local community that focus on the social aspects of well-being as well as the physical benefits of being active. A Wheels for All centre is a community asset, which community members should be proud of and keen to get involved with. To do this effectively we need to ensure participants, volunteers and partner organisations all enjoy and benefit from the service.

This can effectively be done through the support, guidance, and dedication of Wheels for All staff. The co-ordinator responsible the Lancashire Wheels for All sites will be committed to ensuring the current activity is delivered to the highest standards, whilst at the same time, promoting and attracting new participants to the service.

The post-holder will oversee the coordination of the Lancashire-based Wheels for All programmes including the nurturing of partnerships, ensuring good practice in its delivery and support and retain the volunteer network.

Post holder will be responsible for:

- Being a reliable and regular point of contact at both Lancashire Wheels for All sites in Preston and Hyndburn.
- To be present at each of the delivery days at the Lancashire Wheels for All centres
- Ensuring that each Wheels for All complies with the Standard Operational Procedures as set out by Cycling Projects head office.
- Identifying further funding opportunities to support the development of inclusive cycling engagement across Lancashire.
