

We are recruiting! Sessional Support Workers

Ride Leaders needed: come and join our regional team!

Wheels for All is recruiting sessional members of staff to support our community cycling activities across Liverpool City Region, Cheshire and North Wales. This is an opportunity to work with a well-established and respected charity to help improve people's health and wellbeing.

You will join our supportive team in delivering our amazing programme of inclusive cycling activities across the region. We have opportunities for sessional support staff who will fulfil the role of ride leaders and activators for our regular weekday daytime and evening activities, and occasional weekend activities and events, which operate for most of the year.

We are looking for experienced, committed and reliable ride leaders and activators who can engage with people and put them at ease on our rides. You will be working with adults and children with differing abilities and needs, supporting them to enjoy cycling activities at their own level.

Our ideal candidate will be able to create a friendly, inclusive and welcoming environment, as well as promoting our rides to new people and motivate them to keep coming back for more!

Most of all we are looking for people who can be integral to ensuring all participants have a positive and engaging cycling experience.

£12 / hour + 12.07% salary enhancement in lieu of holiday.
Location: Liverpool City Region, Cheshire and North Wales.
